Panel Decision

REASON:

Generally, decisions by post classifiers are final; no reconsiderations are permitted.

Exception to this general rule will be permitted only in the instance where it is strongly felt by the receiving AU (and substantiated by particular reasons) that the case is more properly assigned elsewhere. In that instance, the case should be routed to the 2109/2609 gatekeeper via your SPE with the particular reasons for reconsideration.

In the future, please follow these guidelines before forwarding a case for reconsideration.

Thank you for your cooperation.
